

SHIRT CLIPS

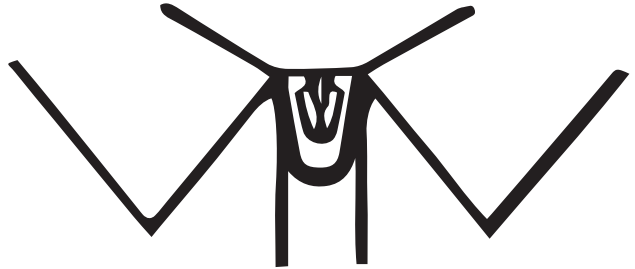

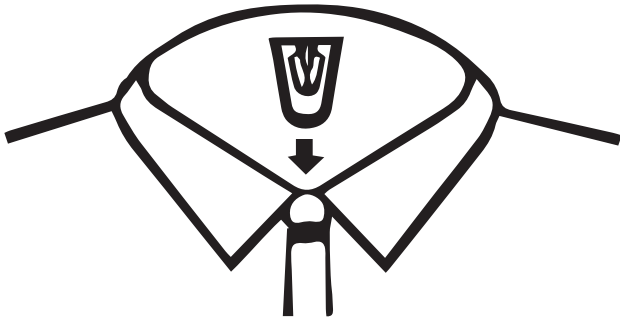

HOLDS TIGHT WITHOUT DAMAGING GARMENTS

Shirt clips are used to keep collars, cuffs and sleeves in place. For collars, simply clip over the collar and top shirt button. For cuffs, use to clip cuffs together. To attach, slide the small tongue over the collar and the "V" side stays on the outside to catch the button. Measures 1-1/4" long. 1,000 per box.

FOR COLLAR

SLIP CLIP OVER AND CATCH THE BUTTON

FOR CUFFS

HELD TOGETHER OR INDIVIDUALLY
